

## Quality Policy

### What this policy covers

The implementation of the Quality Management System will ensure that the products and services provided by the Company to our customers consistently achieve or exceed their expectations. **PAS Ltd** operates a system that regularly evaluates its processes to meet the customer's specifications. The Company has quantifiable objectives in place to systematically promote quality improvements year by year.

It is the policy of **PAS Ltd** to maintain, on a continual basis, an effectively managed Quality Assurance programme that is based upon the ISO9001:2008 standard. This will assure customers that the products and services supplied will conform to the laid down procedures or disciplines of the company and will ensure that the customer's requirements are achieved.

The management of **PAS Ltd** is firmly committed to the documented procedures and control systems of the Company and all employees are involved in the implementation of this policy.

The *Sales & Commercial Manager* is entrusted with the authority and responsibility for the control of the Quality Management System.

This policy of Quality Assurance is in place to ensure that the goals of the company are met. The Company continually strives to ensure that the best possible products and services are supplied to the Company's valued customers; thereby satisfying that their requirements are met as effectively and efficiently as possible.

Signed:

**Graham Whitehouse**  
(Sales & Commercial Manager)
